

2016 Summer Adult Basketball League Information

****The gymnasium is expected to be closed from the beginning of August through the beginning of September. This project includes painting, ceiling duct work, sanding the floor down, repainting the lines and refinishing the surface. Because of this work, the league has been shortened to include 5 regular season games and a tournament for the top 4 teams in each league. League fees were adjusted accordingly. ****

- Returning teams are given first priority to return. New teams are added to a wait list and are contacted after the returning team registration period listed below.
- All **new** teams who wish to be placed on the wait list must contact Kelly Rigano (krigano@dublin.oh.us) with the following information: Name, email address, phone number, and league night preference
- Individuals who are interested in playing, but do not have a team, will be added to a "free agent" list. Your information is made available to the other teams in the league; we do not "place" free agents onto teams.

Important Dates	
April 25 – May 22	Returning teams must register and pay the full league fee <u>online</u>. Blank roster forms will be sent out and need to be turned in before the first game.
May 23 – May 27	Wait list teams will be contacted by a Dublin staff member.
